Monday-Tuesday, 9th-10th Oct	SSG Meetings.
Thursday, 12th October	SSG Meetings.

Principals Report

School Production 'The Prize'

Congratulations to our students and staff who took part in our school production "The Prize" yesterday. Many people consider public speaking as one of the most challenging experiences they have. For our performers overcoming their nerves and fears by getting up on stage is a valuable life lesson. I was extremely proud of our performance as should the children and their parents/caregivers.

A massive thanks to our teachers Ann O'Brien and Maddy Didjurgies for their dedication through rehearsals and the final production, Ki Owler our Art teacher for making the props, Jacob Didjurgies for managing backstage, Pauline Little for assisting with the sound booth and all our staff who supported in other ways.

School Nurse

I'm extremely pleased that funding for our school nurse Catherine has been assured for 2024. Catherine is such a valuable asset to our school community and I'm pleased Latrobe Heath Assembly have continued with their support.

Respectful Relationships

As part of our school curriculum, students at MPPS participate in weekly lessons aimed to develop their social, emotional and positive relationship skills.

The Respectful Relationships program supports teachers and staff to promote and model respect, positive attitudes and behaviours. It teaches our children how to build healthy relationships, resilience and confidence. It also reduces antisocial behaviours including gender-related violence.

Taking a whole-school approach is about embedding a culture of respect and gender equality across the entire school community.

This approach leads to positive impacts on students' mental health, classroom behaviour, and relationships between teachers, students and families.

Footy Colours Day & 1.00pm End of Term Dismissal Friday

A reminder that on Friday students are invited to dress in their footy colours and they will be dismissed at 1.00pm which will be the end of a very eventful term 3.

We wish our students and families a happy and safe break and look forward to seeing students back at the start of Term four on Monday October 2.

Chris Joustra,

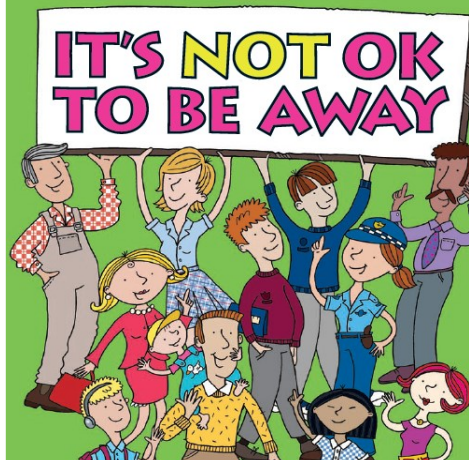

Principal.
