### Principals Report

We would like to update you on Mr Joustra who was involved in a cycling accident over the weekend. Although he sustained some serious injuries and needed surgery, we expect him to make a full recovery. While Mr Joustra is absent, you can direct your concerns to Simone Richardson our Assistant Principal who will be filling the principal role until he returns. We wish Chris a speedy recovery!

#### Vaccination Clinic

The Dept. of Education & Training has arranged for Interconnect Healthcare to run a Covid-19 vaccination clinic at our school on Tuesday the 7th of June, from 3:15pm - 5:15pm. They will be administering vaccinations for the age group 5 years and above (adults included). This service will be available for all community members. You will be able to choose from Pfizer, Moderna and Novavax.

To view a Q&A webinar, answering common questions about having your child vaccinated against COVID-19, please click [here](#).

Click [here](#) to make an appointment.

It's important to register correctly to avoid any delays in uploading your vaccination record to AIR (Australian Immunisation Register).

#### Responding to conflict

When teachers are aware of conflict between students, our process is to investigate all sides of the story. From time to time, we are contacted by parents who are concerned about an incident and our first question is, "Did he/she speak to a teacher"? In the majority of cases when the response is no, it is because the child decided not to, knowing that their actions were in question too.

Most people, children included, are very good at telling their side of the story. From home, parents are unable to test all sides. I would urge parents to be aware that if their child hasn't told a teacher then their description of the incident may not be entirely accurate. Our school will follow up all incidents when made aware of them.

#### Parking around school

I have had complaints from our local community members regarding parent parking during school drop off and pick up times. Please be respectful of our surrounding neighbours by not parking in or across their driveways or on their front yards or nature strips.

It is important that we remain patient and safe during these high traffic times.

~ Simone Richardson, Acting Principal

# GR 2-5 SWIMMING LESSONS

What a crazy fun filled 3 days our grades 2-5 students have had at the Morwell Leisure Centre this week.

They have been partaking in swimming lessons with some of the best swim instructors.

It was great to see our students gaining confidence each day and improving their swimming skills.
