### Principals Report

#### 'Our Place' Official Opening

Thankyou to all those parents / caregivers who came to the after school celebrations after the official opening of 'Our Place' on Thursday. It was fantastic to see so many here enjoying the activities and meeting so of the organisations supporting our school community.

#### COVID

With COVID cases increasing please remain vigilant with testing. Testing kits are available at school and we ask if your child tests positive please notify the school.

#### Mobile Phones

The 'Students Using Mobile Phones Policy' for all Victorian Government Schools which was introduced in term 1 2020, requires that students who choose to bring mobile phones to school must have them switched off and securely stored during school hours, including recess and lunchtime.

In most cases it is best children don't bring a phone to school at all. Those who for sound reasons require a phone will be required to have the phone locked in a secure location.

#### Prep Zoo Excursion

On Friday November 17 our Preps (and some students from other year levels who are attending as part of their Dojo awards) are heading to the Melbourne Zoo

As with all excursions **please be on time** to leave. It's always disappointing for a child to arrive after the bus has departed. Parents are reminded to check Facebook during the afternoon to get an indication of what time the bus is expected to return. Dealing with Melbourne traffic means expectations may change.

#### Breakfast Club

A reminder that Breakfast Club opens at 8.30am and finishes on the bell at 8.45am. On Friday's there is a hot breakfast available.

Principal.
